MEMORANDUM FOR: D/DCI/NIPE

SUBJECT: Planning-Programming-Budgeting

**REFERENCE: Ltr. dtd 13 Oct. 65 re above subject from
D/BOB to DCI**

The last paragraph of reference letter deals with a list of questions that will be transmitted to the Agency from BOB and serve as the starting point for the preparation of "in-depth analyses of programs or parts of programs".

I urge that you obtain a copy of this list of questions and arrange to be kept well informed of the "in-depth analyses" to follow. Unless you see any objections to it, I will try to obtain a copy of any similar questions that have been sent to DOD in connection with either the CIP or CCP areas of activity.
